### Consent/Release Waiver

Dance activities may carry a risk of injury to the student or participating individual. Some of these risks include: sprains, dislocations, bruises, broken bones etc. We, the staff members of A Time To Dance, will do our best to prevent injuries and accidents to participating students/individuals. It is with this understanding that I enroll my child/myself into a program at A.T.T.D. If the need arises for medical treatment, I do hereby grant authority to the A.T.T.D. staff to transport or obtain transportation to the nearest hospital or treatment center. I further agree that, due to my understanding of the inherent risks involved, the owners and instructors who work with my child(ren)/myself shall not be held liable for any damages arising from personal injuries sustained within the A.T.T.D. facility or at any event associated with A.T.T.D. I hereby fully release and discharge the A Time To Dance owners and instructors from any and all damages, demands, rights of actions, claims, present and future.

### Student Behavior

Our guiding principle regarding student behavior is based upon Hebrews 13:17 from the Holy Scriptures. Students are expected to be quiet and attentive during class instruction and should not be a disturbance or a distraction to other students. Inappropriate behavior may result in the student being asked to sit out of the class and a parent will be notified. Repeated disrespectful behavior may result in expulsion of a student from the class. While we hope this action would be rarely used, we must reserve the right to expel a student should it ever become necessary.
